### ROYAL SUTTON

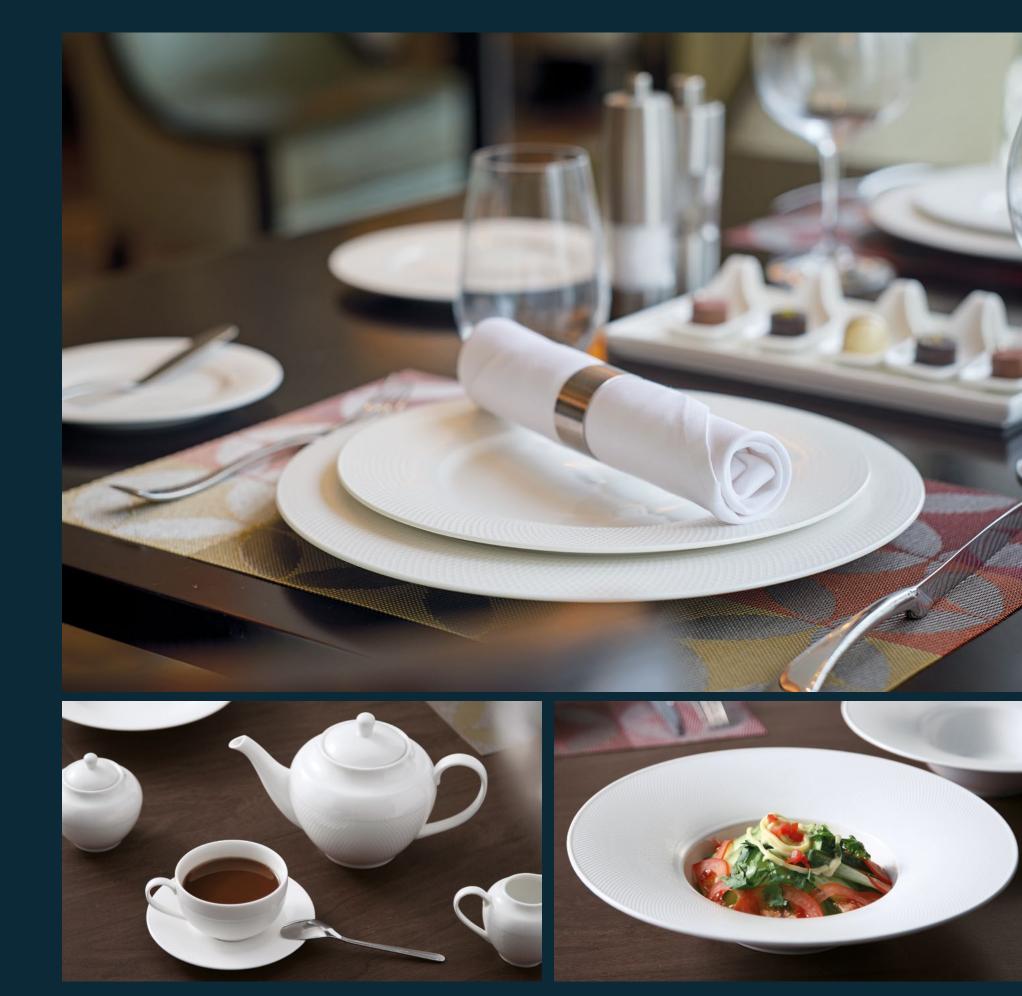

Lines on the edge are orderly arranged, by such a simple but elegant design, allowing the tableware to play the best supporting role to the dish.

ROYAL SUTTON

### ROYAL TEA TIME

As a British saying goes: When the clock strikes four, everybody in this world stops for tea. The culture of high tea has been spread all over the world from Britain and become a life style. How graceful it is to enjoy high tea with a charming tea set.

Attractive desserts lie on the plate and the tea pot is brimmed full with tasty black tea. What a wonderful high tea time!

### ROYAL RINGS

A top feast of taste & vision will be presented when the dishes come with matched tableware.

ROYAL RINGS

### ROYAL CIRCLE

Creative tableware always gives us a great visual feast while we are enjoying the food. Unique design and exquisite workmanship brightens up the tableware.

#### ROYAL CIRCLE

The distinguishing characteristics of the tableware are that all the pieces are in harmony, and the skilled work lies in the detail.

### ROYAL SPACE

The dishes in the tableware are as bright as shining stars in the boundless universe, everyone will be surprised by how similar they are.

#### ROYAL SPACE

The details in the tableware are amazing, but subtle. A wonderful romantic dinner and beautiful tableware is an excellent choice for a date.

Irregular lines design makes the tableware more distinguished and charming, as well as such excellent workmanship, will be admired by everyone.

### MX MATCH

So many different shapes look like a boat, a spray or so on. This mix-and-match style creates a more powerful effect, making everything more wonderful.

#### MX MATCH

As mixed with nice different shapes, they can be used almost anywhere, for dinner, or for buffet with desserts or fruits... which is all the choice of the owner.

### ROYAL CLASSIC

It cannot rock you by the first sight, but it is so graceful that it will stand the test of time. The more you watch it, the more you will like it.

#### ROYAL CLASSIC

It is great to match the delicious dishes with classical tableware, and such artistic matching makes life more colorful.

This collection is always used for buffet since it is so simply suitable & durable, and it also lights up our daily life.

### ROYAL COFFEE TIME

In the lazy season, everyone yearns for a cup of coffee. And a comfortable environment is essential to enjoy the moment. Ten o'clock in the morning—right time for coffee!

### ROYAL TWIST

Like the dancers with graceful figures, the revolving radian is so elegant just showing its beauty with the dishes on the table.

ROYAL TWIST Top beauty is always understated, but with such simple and fashionable tableware, this will always make your table look out of the ordinary.

### ROYAL SHOW

The designer and the chef never stop matching perfectly the tableware to the dishes. The nicer the tableware is, the tastier the dish we enjoy.

### ROYAL TULIP

An excellent chef is not only good at cooking but also at matching the tableware to the dish. Such tulip petal shape is functional as well as fashionable.

### BUFFET SERVICES

Various shapes are for various dishes. Quality life comes from good mood, excellent tableware and delicious food.

Each shape has its own distinctive character to set off the delicious food, and this appeals to diners.

# Fine Porcelain, Crafted with Tradition

Brand Heritage: Tudor ware (also Royal Tudor), est. 1828

The Tudor ware name in UK porcelain history exists already over a century and is representing a high quality and reliable porcelain tableware.

Tudor Porcelain Ltd. is the 4th owner of this trademark since 19th century, planning to make it truly global while keeping the traditional Tudor brand values.

The brand was re-launched in 2014 with the refreshed logo and new brand slogan, as well as new visual identity and packaging, so we fully believe it will now reach all the beloved consumers across the world.

The birth of the famous English porcelain happened in the city of Stokeon-Trent, commonly known as 'the Potteries', the well-known home of the pottery industry in England since the 18th century.

Authentic **Tudor Ware** was produced in Stoke-on-Trent **since 1828**. **Thanks to its rich heritage** Tudor England porcelain has tied together all the skills, quality and expertise of a few generations of potters to create a high-class masterpiece from every piece of our fine porcelain.

We proudly say that our products are **Crafted with Tradition**. Nowadays our artists and potters continue designing wonderful and modern tableware using the best materials, while still adding the final personal touch using the proven techniques from the 18th century.

Tudor England produces a **wide range** of beautiful handmade, super white and **luxury looking** tableware, and keeps on adding the new collections every season. Our durable porcelain is suitable for both home usage and HoReCa, providing over 400 shapes and designs. If you haven't found your preferred design among our various forms, you can always ask for our **Custom Tailored Service** and our experts will create your personalized range.

**Tudor England fine porcelain** is the perfect and reliable solution for any table setting.
